Auto Payments

Experience convenience with auto pay

Life is busy. And scheduling a loan or credit card payment is not always on the calendar. Never miss a payment again. Simplify life by paying your auto loan, personal loan, credit card payment or mortgage with automated payments (auto pay). This is the set-it and forget-it approach to managing your finances.

Set it and forget it

When you setup auto pay, you authorize Golden Plains to debit your account and apply those funds to your loan or credit card.

Advantages of auto pay

One of the greatest advantages to setting up auto pay is that you have a better chance of minimizing late payments which could result in fees. Please make sure you have the correct amount of funds available in your account on the day you scheduled your auto pay. You can set an account alert to help you remember your payment amounts.
