C.U. Succeed Scholarship Program

Golden Plains Credit Union supported our members with $12,000 in scholarships for the 2018/2019 school year. Twenty-four students from different high schools throughout the state received money to pay for college. These scholarship recipients were strong in academics and active in their communities. GPCU has been awarding student members since 2007 and has awarded $90,000 over that time.
