C.U. Succeed Scholarship Program

Golden Plains Credit Union supported our members with \$10,000 in scholarships for the 2019/2020 school year. Twenty students from different high schools throughout the state received money to pay for college. These scholarship recipients were strong in academics and active in their communities. GPCU has been awarding student members since 2007 and has awarded \$100,000 over that time.

Mobile Wallet

Introducing a new way to pay

Ready. Set. Pay!

Paying with your Golden Plains debit or credit card just became even more simple. Now you can enjoy the convenience of paying via your phone. Mobile wallet payments with Apple Pay, Google Pay and Samsung Pay make in-store and restaurant checkouts faster and easier.

Fast, Convenient Checkout

Checkout with the touch of your finger using digital wallet payments on your smartphone.

Easy Enrollment

GPCU credit and debit cards are compatible with major digital payment apps. To enroll, snap a photo of your GPCU card, type in a few more details and you're all set. Your future checkouts will be faster and safer.

Fingerprint Security

Your phone's fingerprint ID/login adds another level of protection. Even if your phone is lost or stolen, your mobile

wallet can't be used, unlike if you lose a wallet containing your actual credit and debit cards.

Protection from Data Breaches

When you use a mobile wallet, the store or restaurant where you paid only receives a single-use code – not your name, card number or security code – so you're better protected. Even if a store or restaurant where you used a mobile wallet were hacked, your card number wouldn't be compromised.

Zero Liability Protection

When you use your GPCU debit or credit card with a mobile payment system, you still have the same Zero Liability Fraud Protection that you have when you use a physical card to check out.

Visit gpcu.org for more information including how to get setup so you can enjoy the convenience of using mobile wallet today!

Cartera Móvil

Presentamos una nueva forma de pago

Pagar con su tarjeta de crédito o débito Golden Plains ahora es aún más simple. Ahora puede disfrutar de la comodidad de pagar a través de su teléfono. Los pagos de billetera móvil con Apple Pay, Google Pay y Samsung Pay hacen que los pagos en tiendas y restaurantes sean más rápidos y fáciles.

Rápido y conveniente

Realice el pago con el toque de su dedo mediante pagos de billetera digital en su teléfono inteligente.

Inscripción fácil

Las tarjetas de crédito y débito GPCU son compatibles con las principales aplicaciones de pago digital. Para inscribirse, tome una foto de su tarjeta GPCU, escriba algunos detalles más y estará listo. Tus futuras compras serán más rápidas y seguras.

Seguridad de huella digital

La huella digital de su teléfono agrega otro nivel de protección. Incluso si pierde o le roban su teléfono, no se puede usar su billetera móvil, a diferencia de si pierde una billetera con sus tarjetas de crédito y débito reales.

Protección contra violaciones de datos

Cuando usa una billetera móvil, la tienda o el restaurante donde pagó solo recibe un código de uso único, no su nombre, número de tarjeta o código de seguridad, por lo que está mejor protegido. Incluso si se pirateara una tienda o restaurante donde usaste una billetera móvil, el número de tu tarjeta no se vería comprometido.

Protección Cero Responsabilidad

Cuando usa su tarjeta de crédito o débito GPCU con un sistema de pago móvil, aún tiene la misma protección contra el fraude de responsabilidad cero que tiene cuando usa una tarjeta física para pagar.

Visite gpcu.org para obtener más información, incluida la instalación para que pueda disfrutar de la comodidad de usar la billetera móvil hoy mismo.
